Description:	Between the description of [[VideoCapture]] and [[VideoWriter]] in this page <a href="http://opencv.willowgarage.com/documentation/cpp/reading_and_writing_images_and_video.html?highlight=c">http://opencv.willowgarage.com/documentation/cpp/reading_and_writing_images_and_video.html?highlight=c</a> odec there is a strange phrase "See [AutomaticMemoryManagement2]bgroup({the CXCORE introduction}) for the sample code." that I believe is a bug.
