

## OpenCV - Bug # 785: createButton documentation first line is wrong

<b>Status:</b>	Done	<b>Priority:</b>	Low
<b>Author:</b>	Prakash Manandhar	<b>Category:</b>	documentation
<b>Created:</b>	2011-01-02	<b>Assignee:</b>	
<b>Updated:</b>	2011-06-08	<b>Due date:</b>	
<b>Affected version:</b>			
<b>Difficulty:</b>			
<b>Pull request:</b>			
<b>Operating System:</b>			
<b>HW Platform:</b>			
<b>Description:</b>	currently reads: "Create a callback function called to draw [[OpenGL]] on top the the image display by window name."		
	should read something like: attaches a button to the control panel associated with given window name.		

### Associated revisions
